

Subject: California Proposition 65 Information

To Our Valued Customers,

The California Safe Drinking Water and Toxic Enforcement Act of 1986 (commonly known as Proposition 65) requires businesses to provide warnings about significant exposures to chemicals that cause cancer, birth defects, or other reproductive harm. Therefore, in compliance with this regulation, certain Steel Dynamics, Inc. (SDI) products may provide warnings such as:

“WARNING: This product can expose you to chemicals including Chromium (hexavalent compounds) and Nickel compounds, which are known to the State of California to cause cancer, and Chromium (hexavalent compounds), which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.”

For detailed information regarding specific SDI product information, you can access our Safety Data Sheet (SDS) library any time: <https://sds.steeldynamics.com>

If you have any questions regarding products manufactured by SDI, please contact your SDI account sales representative.
